# Designer Canopy

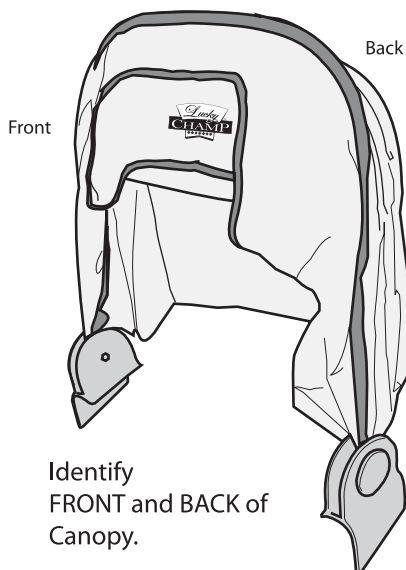

Instructions

- 1** Remove Handles from Lucky Champ Litter Pan.

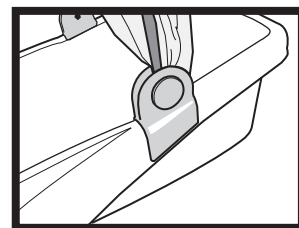

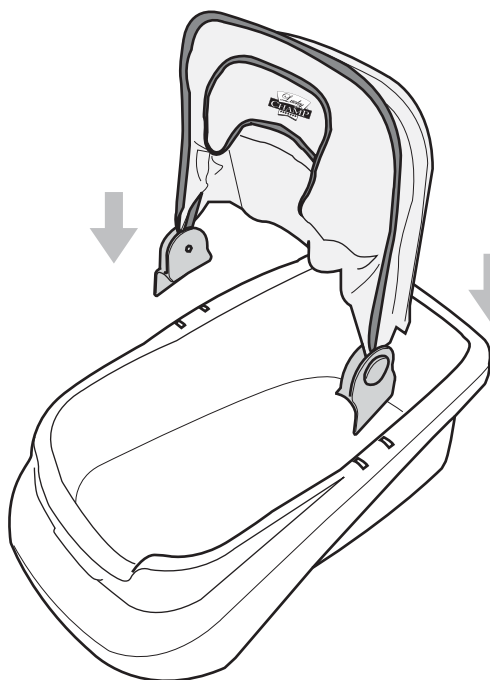

Use Thumb and Index finger to pinch both lock clips to release it from the Litter Pan.

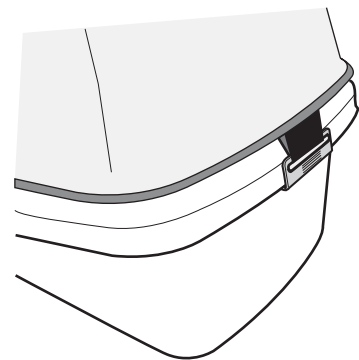

- 2** Gently slip Left and Right Canopy Hinges to Litter Pan.

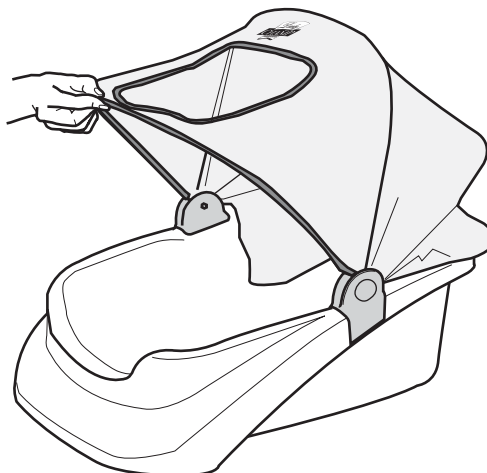

Identify FRONT and BACK of Canopy.

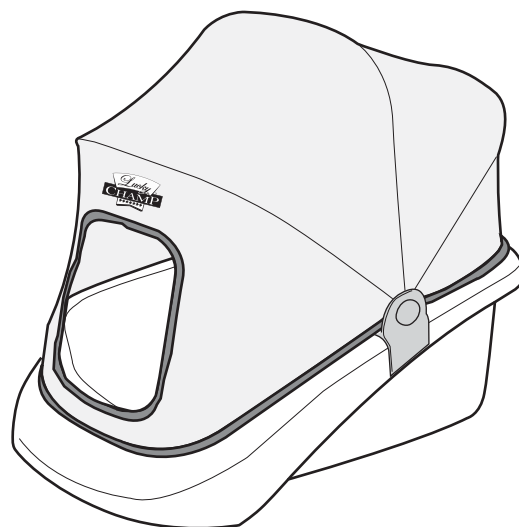

Slide the locking clips into the holes until you hear click sound.

- 3** Pull back Rear Hook fully towards the back of Litter Pan and secure it.

- 4** Pull front of the Canopy towards the entry side of Litter Pan and secure it under the locking rim.

- 5** Lucky Champ Litter Pan & Canopy is ready for use.

**\* Always use front grip while opening and closing of canopy.**
